This Agreement, Made in duplicate, this _____ day of _____
by and between **Braslan Seed Growers Company,** seed growers, of San Jose, California, party of the first part,
and _____ of _____
the part _____ of the second part.

Witnesseth: That for and in consideration of the covenants hereinafter entered into by the said party of the first part, said part . . . of the second part does hereby purchase of said party of the first part the quantities and varieties of seeds below named, and agrees to pay therefor at the prices attached to the seeds contracted below on a basis of sixty day net acceptance from date of shipment, or 2% if paid on presentation of draft with bill of lading attached, except Beans which are sight draft against bill of lading attached.

Said first party in consideration of the foregoing, does agree to cause to have planted sufficient seed or roots to ordinarily produce the quantities of seed named herein and amounts set opposite each variety below contracted, provided the season permits the growing of same, to deliver said seed f. o. b. cars at San Jose, California, with the following conditions being expressly understood and agreed to by both parties to this contract:

1st. Party of the first part agrees to plant one acre of Red or Yellow varieties of Onion for every 400 pounds of seed herein contracted, and further agrees to plant one acre for every 300 pounds of White varieties of Onion seed herein contracted, and further agrees to plant one acre of Carrot or Radish for every 1000 pounds of seed herein contracted. And further agrees to plant one acre of Lettuce for every 400 pounds of seed herein contracted, and further agrees to plant one acre of Sweet Peas for every 1000 pounds of seed herein contracted, but it is fully understood and agreed to by both parties to this agreement that in the event of any or all of the various varieties of seeds herein contracted producing less than the stipulated amount herein contracted, then such quantity or quantities will be accepted by the said second party on the terms, conditions and stipulations herein outlined and set forth as a complete fulfillment of the contract herein entered into.

Shipments to be made to the party of the second part as soon as possible after the harvest of crops.
